

Komen St. Louis Young Professionals is an initiative focused on engaging a new generation of young women and men in our mission to save lives and end breast cancer forever.

We offer opportunities to get involved with the mission of Komen St. Louis through social events and healthy activities, leadership opportunities, networking, volunteering and providing support in our community with breast health awareness.

Annual Requirements:

- Attend annual Young Professional kick-off meeting in September.
- Complete an annual volunteer application and Breast Cancer 101 to ensure your understanding of our mission and work.
- Make an annual donation of at least \$35.
- Participate as a guest and/or volunteer in at least one Komen St. Louis annual fundraising event - Race for the Cure, Dine Out for the Cure, Trivia Night, Power of the Promise Impact luncheon, third-party fundraising events and other community events.
- Serve as a goodwill ambassador for Komen St. Louis.

Membership Benefits:

- Your annual donation makes a local impact!
*Seventy-five percent of net funds raised fund local breast health programs for medically underserved and uninsured women and men in our community who otherwise would not have access to vital screening, education and patient navigation services. The remaining 25% of net funds raised support cutting-edge global breast cancer research. Since 1999, Komen St. Louis has contributed more than \$9 million to breast cancer research. At the same time, more than \$20 million raised here and nationwide has come back to St. Louis research facilities. **That means more than 100 percent of the dollars raised here has remained in and returned to the St. Louis region.***
- Receive discounted admission to Komen St. Louis Young Professional events throughout the year!
- Leadership and networking opportunities as a Komen St. Louis volunteer.
